Helium Gas Might Bring Airship Base To Alberta

Only Place Valuable "Bubble" Can Be Found in British Empire—Airship Expert Talks in London

LONDON, Jan. 22.—(Canadian Press Cable).—Lecturing before the Colonial Institute last night Commander F. L. M. Boushby, the well-known airship expert and commander at different times of naval airships and airship stations, said there were indications that a beginning would shortly be made with an airship service between Great Britain and Australia, which could be developed in stages possibly by way of Egypt, Delhi and Singapore, to Port Darwin. The establishment of a big bi-weekly service to Australia would require capital of 25,000,000.

Points to Alberta. Commander Boushby pointed to the fact that the only helium helium supply in the empire was located in Alberta. Professor J. A. Macdonald of Toronto University, had informed him that the helium of the province was valuable to waste actually and that the territory actually supplied it. The territory actually supplied it. The territory actually supplied it. The territory actually supplied it.

Looks to Canada. At the moment, said Commander Boushby, there was nothing in the airship service to Canada with the United States navy's helium-fueled blimps. "We must have a helium-fueled blimp to Canada to reduce the balance in immediate future," he concluded.

Five pairs of twins live on adjoining farms in Caldwell county, Mo., and make up half of the enrollment of the one-room Prairie Town country school. This is believed to be some sort of a record. Left to right, the twins are: Back row—William and James Sloan, 12 years; Vida and Lida McDair, 11. Front row—Donald and Dorothy James, 8; Paul and Pauline 1—Haven, 6, and Roger and Roland Nelson, 7.

PARIS FLOODED!

One of the first photos taken during the most recent flood that is making canals of Parisian streets. It is typical of the entire section of the city that is under water.

A CASTLE FROM THE AIR

Here is seen, the magnificent castle built by Sir Henry Pelly, at Toronto, from its tremendous bulk then viewed from the air. This big pile represents the dream of a country estate, constructed beyond the city limits, but well within the bounds of greater Toronto by the time it was finished.

AH, HAH! SO THAT'S IT

"X" marks the spot," is a saying you're doubtless familiar with. But you'd be surprised to learn what the cross marks mean in this picture. It seems that the first thing a new prohibition agent is taught is where to look for liquor on cafe diners. And the crosses show the likeliest places, according to latest instructions from San Francisco dry authorities.

SHE'LL DRIVE FOR CANADA

You don't hear much about Ledia Hutchinson in the summer months—but in the winter, when snow cov, the ground and dog racing enthusiasts get busy, this famous girl driver of dog teams is much in the limelight. She has just been selected to drive the Canadian entry in the American Dog Derby at Ashton, Ia., next month, and is now training her huskies at Montreal.

EDITOR HONORED

Dr. John McKee Cattell, noted editor and psychologist, recently was elected president of the American Association for the Advancement of Science. Dr. Cattell came into prominence in 1917 when he was dismissed from the faculty of Columbia University.

WILL MARRY SARAZEN

Photo shows Miss Mary Peck (above), daughter of Mr. and Mrs. Horace D. Peck, now spending the winter at Miami, Fla., whose engagement to Gene Sarazen, golf star, has been announced. It is reported, the recent report of Sarazen's engagement to Miss Pauline Garon, film star, proved false, it is said.

THEY COULDN'T PASS ON SAME TRACK

Two freight engines collided in railroad yards near Grandburg, E.C. Photo taken after said collision. Five members of the train crew were killed.

REGENCY

Photo is of Admiral Condouriotis of Greece. When officers of the army and navy asked the king and queen to leave the country, Admiral Condouriotis was left with the regency of the country. This is the first photo to reach the country.

HUERTA ENVOYS

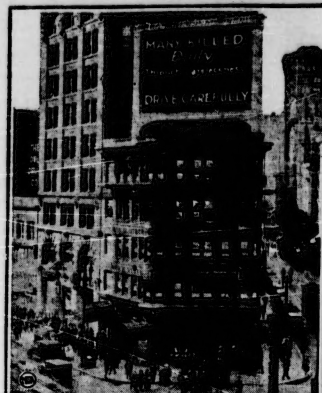

Two newly appointed emissaries of the De la Huerta revolutionary "government," Ruben Viscarra (above) and Luis H. Ramirez (lower) have established headquarters on this side of the Rio Grande. Viscarra, formerly was president of the Mexican House of Deputies, and Ramirez was a deputy.

REPRESENTATIVE

We have with us today Representative Edward P. Farley, newly elected congressman from Pennsylvania. Kent, associate William H. Kirkpatrick.

BILL BOARD WAR AGAINST DEATH

The huge advertising sign shown above represents San Francisco's latest war on auto accidents. At the busiest corner of the city it stands as a reminder that carelessness is the chief cause of accidental death. This sign, with its shibboleth of safety, "Watch Your Step—Drive Carefully," is said to have exerted a salutary influence on motorists and pedestrians alike.

NEW AND THE OLD

Admiral L. C. Palmer (left) is the new head of the U. S. Shipping Board. He is shown here with the man he succeeds, Edward P. Farley. Photographed in Washington, where Farley gave Admiral Palmer a few inside pointers on his new job.

BEATS THE STENOGRAPHERS

This is a working model of the "logotype," a new machine which will write a whole word at a time and which can take dictation faster than anyone can talk. It is the invention of John G. Roseman of Atlanta, Ga.

IT WAS SOME "STOCK"

Here is part of the liquor officials confiscated at a hotel in Greyhound, Wyo., in a joint raid by county and federal forces. This particular lot, say the officials, was in the hotel's "stock room."

Eskimos expect to win—Will put forth great effort to fight their way into the play-off

Kenny McKenzie led his troupe of warriors on to the train last night and sped towards Cowtown, where in face of the formidable typewriters of Harry Scott of the Edmonton and Howard Kelly of the Herald, and also President Richardson of the W. C. H. U., the Eskimos will try conclusions with the rejuvenated Calgary Tigers tonight.

The Eskimos need the win in the worst way and will fight tooth and nail to get it.

OH, GIRLS, HE'S
SHOCKING CHAMP!

The Eskimos have been playing in hard luck this season. All four Kents got touchdowns. No one has ever heard that such a thing has ever happened in the history of the Eskimos. Well it took the Duke in the first game to get into shape again, and by that time the team was in a slump. Just as things were beginning to look up, the Eskimos were scheduled to play the Calgary Tigers at home on New Year's Day and the Eskimos were scheduled to play the Calgary Tigers at home on New Year's Day and the Eskimos were scheduled to play the Calgary Tigers at home on New Year's Day.

Now all that has happened in the first half of the season is that the Eskimos have played the Calgary Tigers at home on New Year's Day and the Eskimos were scheduled to play the Calgary Tigers at home on New Year's Day.

Victorians is the recent national banding tournament held at the Yale Club in New York. Tom Coward, Edmonton, was the winner of the tournament. He was the only player to score a touchdown in the final game.

Seaboard Grain Business At Standstill and Wheat Trade Dull After Advances

WINNIPEG, Jan. 22.—Although today's wheat market was extremely dull, the undertone continued firm and prices showed an advance of 1/4 for both futures and Monday's close. Towards the end of the session there was a fairly good buying rally but seaboard buyers reported that business was absolutely at a standstill. Beyond some enquiry for No. 3 Northern. The feature of the market continues to be the absence of any pressure as offerings are very light. Movement from interior elevators shows a slight increase, but there was
